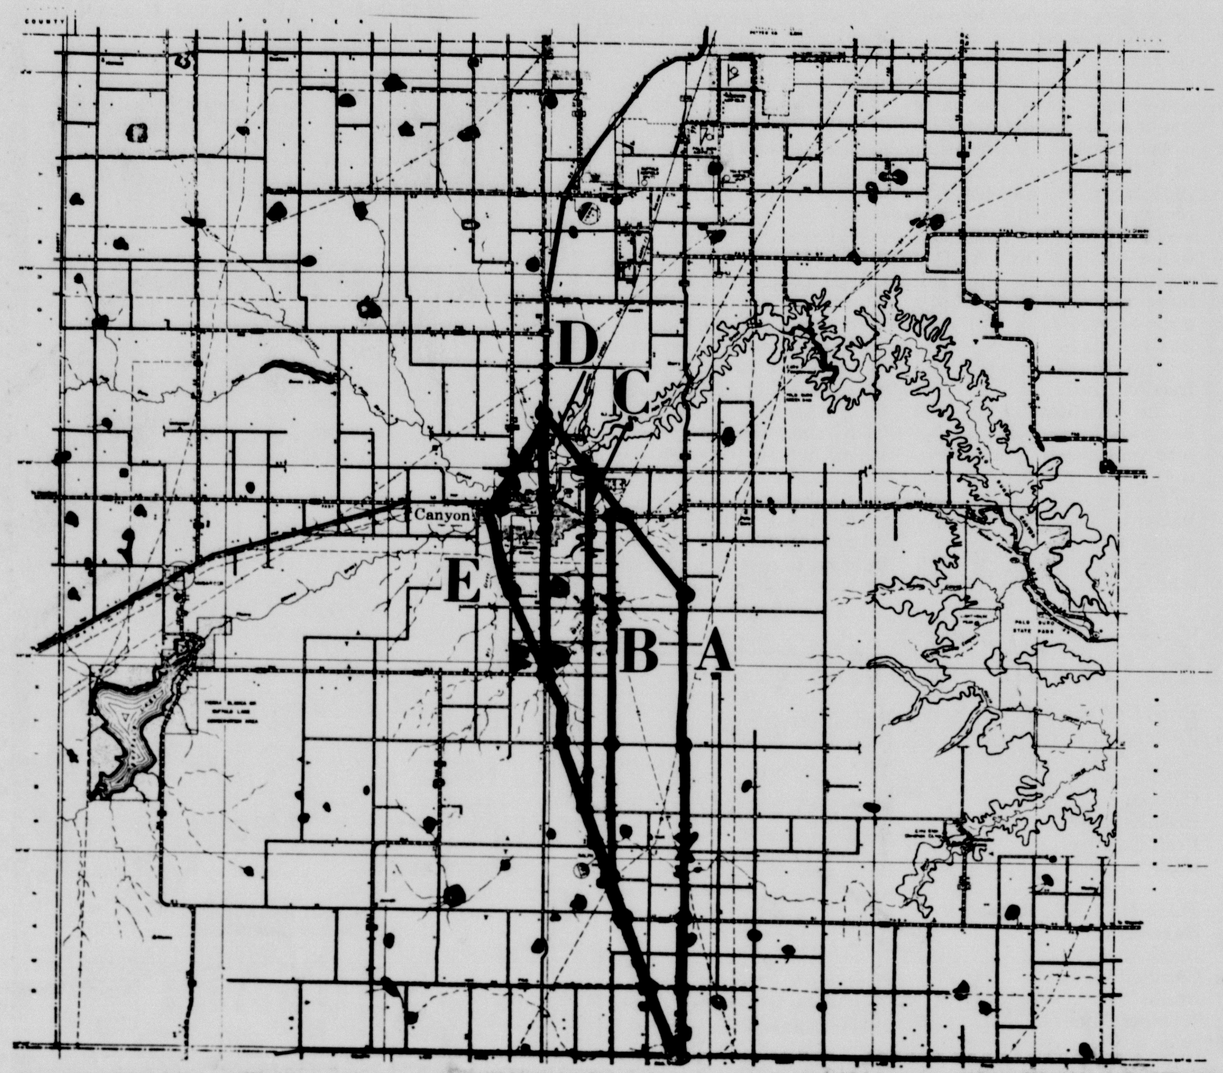
City Commission To Discuss By-pass Route



The five proposed by-pass routes around Canyon for Interstate 27 are shown on the above map. They will be considered tonight by City Commissioners. City Planner Marvin Springer favors route B, which would pass Canyon about a mile to the east. Route A would lead down Washington Street. Route C travels just at the east city limits of Canyon. Route D travels through the center of town down 23rd Street. Route E passes Canyon through the western portion of town.

The Texas Highway Department has asked Canyon City Commissioners to recommend usage of one of five proposed routes for the Interstate 27 by-pass around the city.

Commissioners are expected to make a tentative decision during their meeting tonight.

The commission, meeting jointly with the city's planning and zoning commission, heard Dallas City Planner Marvin Springer Monday night recommend a route which would curve about two miles east of U.S. 87.

The two commissions also discussed the five proposals, although they agreed they don't have enough information concerning costs and entrances and exits from the proposed routes to make a wise decision.

At least one of the routes was thought not to be feasible.

"I don't know the relative cost," said Mayor Manly Bryan, "but, the green one (route which would take I-27 through Canyon on U.S. 87) would probably wipe out 23rd street on one side plus another street plus a residential block through town."

Springer, who came to Canyon Monday to talk to the two commissions about the city's zoning ordinance, said the route which would carry I-27 about two miles east of U.S. 87 around Canyon would be most preferable as far as the city is concerned.

He said the route would provide structure for growth of the community.

"If it goes west, I can't see any economic benefits to the city," he said. "The university would be better served by staying to the east."

But, he pointed out that the most easterly route on the proposal is too far east for the city to benefit.

"I went out on that route today and looked back at the city and it's a long way out," he said. "It would have the effect of putting you off the highway."

Springer said the proposed route which would run just east of Canyon's city limits would hamper the city's growth. He said the route might prove unfeasible to the highway department, too, because of the vast drainage system that would have to be crossed.

He suggested the city make a tentative recommendation with the right reserved to study the details of each route before making a firm recommendation.

Before any route is approved for construction, the highway department must hold public hearings in Canyon.

Following the discussion

see ROUTE, page 10

Sex Poll Next Week For Locals

Several Canyon residents will be polled next week on their attitude toward sexual behavior.

Interviewers are employees of the National Opinion Research Center. The survey is funded by the National Institute of Mental Health.

Mrs. Wanda Mitchell, an Amarillo employee of NORC, said several local residents will be asked to submit to an hour-long interview concerning sex behavior.

She said part of the interview will be conducted by

West Texas State University coed Yolanda Ramirez heads for the Canyon News with a Canyon News for an umbrella Tuesday morning. The rains came ushering in a cold front Tuesday. Miss Ramirez is a staff member of The Prairie, WTSU student newspaper.

School Board Passes Drug Policy

Parents Complain Of Long Bus Rides

Canyon School Board members Tuesday night faced a busing problem of their own as eight parents complained some of their children are riding the school bus as long as two hours every morning.

"When you consider it, we could get up and take our kids to Lubbock in that period of time," Ray Hinders told the board.

Hinders was one of the eight parents--all living south and southeast of Canyon--who spoke out against the long bus route.

The parents based their complaints on the fact that before last year two bus routes were provided for service to their homes. Last year the route was consolidated for one bus.

"We were concerned about the route there last year," Hinders said. "We asked for a change at the semester. We could understand why you didn't want to change back then. But, it hasn't been worked out and some kids are still riding the bus two hours."

Lawrence Brotherton, who is in charge of school bus routing, said the routes were consolidated two years ago because not enough children rode the buses to justify two buses.

He said afer questioning that currently a 54-passenger bus is used on the route, which has a potential for 57 children passengers.

School Supt. Jerry Jacobs told the parents "we agree with you whole-heartedly," but he said he and Brotherton had not come up with any equitable solution to the problem.

On the suggestion of Board President Dr. Dudley Moore, Hinders and two other parents agreed to work with Brotherton in efforts to shorten the route or in some way reach an agreement which would be acceptable to both parents and school.

In other business, the board approved unanimously a policy on drug abuse. The board had discussed the policy twice in meetings be-

Buffs Open Saturday Against Lamar Tech

West Texas State University's 1970 edition of the Buffalo football team opens its season at 7:30 p.m. Saturday in Beaumont against Lamar Tech's Cardinals.

The Cardinals are expected by coach Vernon Glass to be vastly improved over last fall's 3-7 season.

In junior letterman Tommy Tomlin the Lamar Tech club has its first established quarterback since 1966 to direct the Slot-T attack.

Coach Glass has more speed than ever before at his running back positions in junior Clinton Hill and fullback Glen Hill, two standout receivers in Pat Gibbs and Ronnie Gebauer, a veteran offensive line and a big, quick defense.

In nine games last fall Tomlin passed for 1,563 yards (a school record), completing 121 of 256 attempts, although he played in six games with severe rib injurires.

Clinton Hill and reserve Larry Krushall are both 9.7 trackmen.

Those backs will be operating behind a veteran offensive line, keyed by tackles Roy Esquivel and Bill Menard.

Glass considers Gibbs, the slotback, a standout. The senior, who has 9.8 speed, caught 39 passes in 1968 and 42 last year. Gebauer nabbed 56 passes for 831 yards last year in making the all-conference team.

Coach Joe Kerbel's Buffaloes will enter the game in good physical condition, but with question marks at several key positions. The offensive line at West Texas is manned by only one full-time returning starter--tackle Wayne Adams.

Along the Buffalo defensive front four, the starters are represented by only one returning regular--tackle Stan Hansen. Along with the inexperienced lines, Kerbel will be starting sophomore Ed Holwig at quarterback.

"We feel Ed has the tools to be a standout, but inexperience could hinder his early season efforts," said Kerbel.

Backing Holwig are two other sophomores, Ron Leach of Andrews and Amarillo's Jimmy Albracht. Both of these players are talented kickers and Albracht is expected to handle kickoff and long field goal work for the Buffs this fall.

The team punter is another sophomore--John Grisby of Garland, who has been impressive in early drills.

"This year's team is in top

Eagles To Come Home To Cage Spearman

It's a week of hard work on the comeback trail for the Canyon Eagles.

Whacked last weekend by Clovis' Wildcats, the Eagles must rebuild that delicate entity--winning spirit--in preparation for their first home game Friday night against the Spearman Lynx.

Spearman is fresh from a 16-0 romp over Sunray last week and undoubtedly has the edge on momentum.

But, Coach Dunny Goode is confident in his Eagles. He saw them lose a ball game last week on a couple of bad breaks. And, he saw his team play a respectable game against the sixth-ranked New Mexico high school team.

Spearman will be tough, Goode realizes that and he's not kidding himself.

"Spearman has the best team they've ever had," he said. "They'll be real difficult for us."

Lynx Coach Larry Anthony is equally hopeful of his team.

"I think we have the best team we've ever had if they jell," he said. "We've got the best line. They're not large. They're average in size and speed, but they have experience and a fine attitude."

Experience is something Anthony has an abundance of in every department. His entire offensive backfield has returned to play this

see EAGLES, page 10

Head Eagle Coach Dunny Goode announced Monday that all Eagle practice sessions will be closed to the public.

Only Eagle Booster Club members may watch practice sessions, he said.

Practice spectators must come inside the practice field to watch. They may not watch the sessions from parked cars, he said.

University Ag School Dedication Saturday Night On WT Campus

More than 2,000 persons have been invited to attend the giant dedication dinner-convocation Saturday night for West Texas State University's new School of Agriculture.

Several area dignitaries as well as political figures will speak briefly at the ceremonies, which begin in the late afternoon in the WTSU activities center.

Pampa Shriners will prepare a barbecue dinner for those attending at 6:300 p.m.

Dr. L.S. Pope, associate dean of agriculture at Texas A&M University will be first speaker. He will talk on "Texas Agriculture in the 1970's."

He will be followed by Dr. Darrel S. Metcalfe, president of the National Association of Colleges and Teachers of Agriculture and assistant director of the Arizona Agricultural Experiment Station. He will speak on "Challenges in Agriculture Education."

U.S. Rep. Bob Price of Pampa is expected to speak briefly as are University President James P. Cornette, Duane Byars, president of the Ex-Student Association and Charles Smallwood, dean of WTSU's new agriculture school.

Pictorial exhibits of various area agriculture achievments and a reception will precede the dinner.

As of Sept. 1, the old

COVERING FUMBLES
by Bob Mack Jones

We cannot define "sense of humor", but we know that it is measured by how well you can appreciate a good joke on you or your "establishment".

Or, how to grin and bare it

Pleasures of a bald lip

BY CARROLL WILSON

I succumbed.

After ever-so-gentle pressure from my wife (she refused to kiss me for three weeks), I decided to cut off my mustache.

Making the decision was easy. But, if you know anything about wife-psychology, you know that cutting the blooming thing off was like trying to get her to carry out the trash.

"I think I'll cut off my mustache," I announced with a big smile, the decision already made.

Here it comes, the old make-your-husband-feel better, make-him-think-you-like-it.

"Oh, don't cut it off," she pleaded. "I like it. I really do."

"How come you haven't kissed me for three weeks? Bad breath, or what?"

She brushes right by the question.

"I like it honey. It makes you look distinguished."

I stomped to the bathroom, lathered up and off it came. Her true feelings emerged. She was so excited she even brought in the baby to "see daddy cut off his mustache."

—Drawing by Steve Munday

A portrait of the author as kissable.

The kid couldn't care less, but mommy admitted after the growth was safely down the drain that "it tickled when we kissed."

Her admission of dislike for my mustache was just one of many I heard during the next few days. But, they were slow in coming for some.

The next day I reported for work as usual. The secretary didn't even notice I'd cut my mustache off. She realized it about a week later when someone commented on it.

Once again I encountered the old stares. "There's something different about him," people seemed to be saying to themselves.

"By gosh, you look a hell of a lot better," said

see LIP, page 6

Ex-Resident Says Charge Is A Lie

Dr. James Dunn Tuesday said Senator Joe Christie of El Paso lied when he told an Amarillo press conference that Dr. Dunn agreed to debate him on a Dallas television station and then failed to show up.

Dr. Dunn, formerly director of the West Texas State Baptist Student Union, is now with the Christian Life Commission of the Baptist General Convention of Texas. He also is associated with Texans Who Care, a group opposed to the liquor by

see LIE, page 10

FROM THE CANYON RIM

by Troy Martin

I have a pile of statistics on my desk. They come from both sides of the liquor by the drink question. One conclusion I've drawn. It is emotion packed.

We are going to hear considerable oratory before next November.

Senator Joe Christie from El Paso has presented statistics tending to show that liquor consumption will remain about the same or decrease when it is available by the ounce.

Dr. James Dunn of Texans Who Care, the other side of the coin, vehemently opposed to liquor by the drink, has supplied statistics which indicate a rapidly increasing consumption if the liquor by the drink amendment is passed.

Joe Christie is the legislator who as a freshman sponsored legislation to protect the horned toad. Christie has been stumping the state along with George Christian in behalf of the liquor by the drink amendment.

Dr. Dunn is a Baptist minister who served as director of the Baptist Student Union here for several years. He is a firebrand and probably one of the keenest minds in the Southern Baptist Convention.

* * *

Both Randall County Republicans and Democrats approved the liquor by the drink amendment on the ballot in May of 1968. This was surprising since Randall county theoretically is a dry county.

* * *

I think the issue should be decided by the voters on the basis of how the abuses of liquor and its attending problems can best be controlled.

Even the heavy drinker will admit that liquor when used in excess creates problems for the user and for society. When we decide on the amendment in November we must decide on the basis of what is best for society.

It almost boils down to a question of whether there will be more or fewer drunks on the highway as a result of its passage.

* * *

I have always taken exception to the hypocricy of Texas liquor laws. Texas already has liquor by the drink for those who can afford to belong to a private club.

At one time Hereford, a "dry" town, had 13 private clubs and a resident liquor control board agent.

* * *

We have put armed guards aboard airliners to protect them from hijackers. This is not going to do much good. The best medicine for the recent outrage in the Middle East would have been paratroopers.

This is something those folks would have understood if we had gone in with a Teddy Roosevelt slogan such as "The Americans alive or the guerillas dead."

* * *

The Middle East is a hotter spot than Viet Nam. US News & World Report this week says Israel has secretly been building atomic weapons as a final defense against being wiped out by the Arabs and Soviets.

Our World

BY ANN BROWN

The youngsters who are conducting themselves in such bizarre fashions to prove they are free from the traditions of their elders are proving one thing at least: History repeats itself.

Under the guise of liberty, Satan persuaded Eve to trade her faith, freedom, and felicity for doubt, drudgery, and death.

Recently, a notorious female dissident was questioned by Internal Security. She said that women who wore dresses or tried to look attractive were rejected as capitalists by the other dissidents. She also said that women in the movement are encouraged to go to bed with any man they please, to prove they have the same freedom men enjoy.

According to a study made at Yale Mediccal School, the typical unwed mother who remains on welfare may eventully cost the American taxpayers $100,000. Welfare statistics predict she will have nine children. That's quite a price John Q. Public has to pay for her freedom. Are taxpayers not entitled to freedom, too?

The prostitute who sells her body for money has dignity and decency compared to the woman who gives herself to gratify the lust of any lecher who asks just to prove she is "free."

The "liberated" woman who finds herself diseased or pregnant--or both, usually discovers that sexual "liberty" does not make her quite as free as she thought it would. All she really did was fall into the same trap that cought her grandmother Eve.

The woman who is really free is the one who keeps herself chaste and clean. She usually attracts a good man who prizes her enough to want to spend the rest of his life petting her, protecting her, and providing for her every need. (Why any woman wants to sacrifice a situation like that for "equality" with men is a mystery.)

It is not surprising that the male dissidents do not want to go to war. Why would any man want to go out and risk his life to protect the type of women the protesters consort with? And is the quality of home the dissidents create worth defending?

Males who so despise the land of their birth that they will paste the replicas of the American flag on the seat of their pants and on their toilet bowls cannot be expected to risk their lives to defend it. (They do not mind, however, accepting welfare checks from their country while others defend it.) Such citizens make Philip Nolan sound like a national hero.

The finest soldier has always been the man who was fighting to protect a cherished home and country. How did the Confederate army manage for four years to fight off Union forces that vastly outnumbered them, and had superior equipment and supplies?

The Southern soldiers were defending their homes and the land they loved. The Northern soldiers, were, at best, invading the South for abstract ideals.

American soldiers in World Wars I and II fought bravely and victoriously to defeat European and Asian aggressors, and to keep them out of America. It is understandable that Americans object to fighting communists in Asia while they are given free rein in the U.S.--even to being allowed to teach in our schools and "work" in our defense plants.

It has ever been that when men found their women, their homes, and their country not worth defending, they soon had none to defend. And history does repeat itself.

Warm, Fresh Air
. . . direct from the manufacturer
Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.
So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.
PIONEER NATURAL GAS COMPANY

Buffalo Stamps Cause Stampede Here

A herd of "Buffaloes" and Buffalo fans have stampeded their way into post offices across the country since a new commemorative wild life stamp has been issued.

The stamp pictures a buffalo on a brown background.

Hank Brown, executive director of the ex-students association, bought 3,000 of the stamps to mail out on his university related correspondence.

"The ex-students association, as voted by its Board of Directors, tries to see that the school's colors of maroon and white are more universally used and that the image of the buffalo is more widely promoted," Brown said. "The buffalo stamp is ideally suited to the latter promotion."

Other school officials and Buff supporters have been personally buying the stamps at such a pace that Canyon postmaster, Lee Roy Moreland, has had to more than double his regular order.

"We usually order 10,000 of the commemorative stamps," Moreland said. "Those went fast, then I ordered 3,000 for Hank Brown for the ex-students from Dallas and 10,000 more for the post office, from Washington, D.C."

Moreland stated that the "Buffalo was popular" in this part of the country and he was having calls for the stamp even though he was temporarily out of them.

"We should have some in by Thursday," he stated.

Mary Margaret Jamieson, Confidential Assistant of the Deputy Specialist to the Postmaster General in Washington, D.C., told the Canyon News that the "Buffalo Wild Life Conservation Commemorative Stamp" is not a limited edition

and will probably remain available through the office in Washington a year or more. Their availability will depend on their sales.

The stamp, designed by Robert Loughheed of Newton, Connecticut, was dedicated in a commemorative service in Custer, South Dakota July 20. The largest herd of buffaloes in the country is found in Custer State Park.

"The American Buffalo is second only to the eagle as a national symbol," Miss Jamieson stated.

"When the first Europeans came to America, there were 200 million buffaloes roaming over the land," Miss Jamieson stated. "Now there are only 30,000 of them."

The remaining buffaloes are found on national parks, in zoos, and on stock farms, Miss Jamieson pointed out.

"The buffalo stamp has already taken 2nd place in sales in the wild life stamp series." The Washington D.C. correspondent said. "The commemorative whooping crane stamp, issued in 1957, holds first place with over 174 million stamps sold. The buffalo could surpass this if the demand is great enough. 141 million of the stamps have been issued so far."

Postmaster General, Winton M. Blount, stated at the dedication of the buffalo stamp, "Indeed this would be a different world in the absence of wild life, for these bring man in tune with nature. I hope that issuance of this stamp will remind all Americans of the continuing need for protecting from extiction our birds, and beasts, and fish."

Win A Few, Lose A Few By The Breaks- -A Football Fact Of Life

The breaks. They come in two varieties--good and bad. And, the variety depends on which side of the fence you're on.

The breaks sometimes determine the winner and the loser. They're always what count in a close game.

They're impossible to predict and hard to cope with. They can make you or break you.

A bad break on one play can lose a game. But, how do you refine the plays to eliminate the breaks? You don't.

The breaks were the villains Friday night.

They can be cussed by Monday morning quarterbacks. They can be analyzed by the coach. But they can't be controlled.

That's the kind of thing Coach Dunny Goode realizes on a Monday morning. as he sits in his cluttered office in the Canyon High gym.

"It was a close ball game," he said. "Two fumbles beat us."

And, in essence that's it. Canyon lost to Clovis High School 6-0 last Friday. If the breaks had gone the other way. If Clovis had fumbled at the most in-opportune moments. If...If...

It's the "ifs" Coach Goode doesn't like to talk about. He'd rather discuss the facts. He'd rather point to the statistics.

"We had good defensive play," he said, "real fine defensive play. And we had good punting."

He's right, of course. The statistics bear him out.

Canyon should have won, would have won but for the breaks.

Look at first downs for example. Canyon tallied 9 first downs. Clovis managed three.

Look at rushing. Canyon had 78 yards on the ground and 25 in the air. Clovis managed 90 overland and 4 through the sky.

A clear case of bad breaks.

The bad break in the Clovis game, Canyon's first outing of the season, came in the final minutes of the third quarter and the first minutes of the last quarter.

Rookie Quarterback Chuck Wright had fired the Eagles to the one-foot line of Clovis, leading then by a scant touchdown.

With a score, the Eagles could take the lead on an extra point. Canyon lined up. Clovis lined up. Wright kept the ball and tried to jam through the middle. He didn't make it and the ball was jarred from his hands. Clovis recovered on their 9.

The original bad break.

But, as was said before, Goode would rather talk statistics.

On offense, veteran signal-caller Mike Swatzell had a bad night with his aerials. He hit just two of nine attempts for 25 yards. Wright made no passes.

Cliff Prichard was leading ground gainer for the Eagles, tallying 48 yards in 15 carries. Rick Edmonson made 35 yards in 12 carries and John Hoover made 34 yards in eight carries.

War Eagles, awards given individual players for outstanding performance, were given Allen Bedell, Kelley Tinsley, Rick Belcher, Larry Brietling, Gary Gunter, Van James and Lewis.

The Canyon News

The Canyon News, founded in 1896, is an independent newspaper dedicated to the best interest of the community, state and nation.

A subscription is $5.00 a year in Randall and surrounding counties and $6.00 a year elsewhere.

CHS Choir To Work For Fund-raising

Saturday is set for kick-off day for the CHS choir fund raising projects this year.

An annual "Pop Bottle Raid" will begin at 9:00 a.m. and choir members will be going door to door in an effort to canvass the city.

Anyone not contacted can donate pop bottles by calling the high school choir room at 655-3734.

The choir members are also available for "slaves" every day through April for babysitting, or odd jobs.

The money raised through these and other activities will go into a fund to raise the necessary money for the four choirs to go attend the spring Buccaneer Music Festival in Corpus Christi.

The four choirs, under the direction of Bill Lyon, include a boy's choir, a girl's choir, a mixed choir and the Chorale which is the most selective.

Sterquell To GOP Post

U.C. Sterquell, South Amarillo accountant, was named Republican district committeeman as the GOP held its state convention in Fort Worth early this week.

Sterquell replaces Jim Campbell of Pampa.

Dick Brooks was chairman of the district caucus at the convention. He also is from South Amarillo.

Alma Thomas of Tanglewood was appointed to the permanent organization committee. "We were there in strength with 43 delegates," said LeRoy Hutton, Randall County clerk.

Commission Meets Today

City Commissioners will decide tonight whether to pay the price to fight Pioneer Natural Gas Co.'s rate increase.

The West Texas Utilities Committee, made up of several cities who wish to contest Pioneer's burner rate hike request, has requested as much as $1 per gas meter from each city for the fight.

Commissioners will also consider letting bids on a packer body, front end lift and trash containers for the sanitation department.

A board of adjustment for the city will be appointed by commissioners.

The meeting is at 7 p.m. in city hall annex.

Fred Irlbecks Grandparents

Mr. and Mrs. Fred Irlbeck became the grandparents of Larry Dannin Vaskia Irlbeck on September 8.

The infant is the son of Mr. and Mrs. Larry Irlbeck of Perryton and weighed 11 pounds and 2 ounces at birth.

The couple have one daughter, Zoe Danna, 3 years old. Mr. and Mrs. J. R. Stump of Waka are the maternal grandparents.

Bundle UP for winter!

Convert your home to COMFORT ELECTRIC HEATING NOW...
...and we'll install storm windows FREE!

■ Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

■ Modern electric comfort heating is already being enjoyed by over 4 million American families! . . . almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating . . . and now is the time to do it.

■ Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

WANT TO BE A te* FAMILY?

Ask our representative when you talk to him about our storm window offer—he'll tell you how.

Zimmermans Celebrate 65th Year Of Marriage This Week

BY CAROL CRAIN

Mr. and Mrs. E.D. Zimmerman of 606 16th Street celebrated 65 years of marriage Sunday.

"I married one of the best cooks in the world," Mr. Zimmerman said, and she kept him happy for 65 years.

"She cooks it and I eat it!" he smiled. "She's always been too good to me."

Mrs. Zimmerman replied, "I needed a good home and he needed food," so the two got together. . . and stayed together.

"I think that each person should make the other one want to be with them," Mrs. Zimmerman said. "We've always enjoyed working together at things. . . making our home and raising our children."

The two were married on September 13, 1905 when both were 20. Mr. Zimmerman's birthday is August 26 and Mrs. Zimmerman's is Monday.

The couple homesteaded in Oklahoma near Beaver City soon after the turn of the century and farmed for a number of years before moving to Pampa where Mr. Zimmerman was in the lumber business. The couple lived in Long Beach, California for a few years and ran a cafe, but soon returned to Texas to live in Hereford and then in the Valley.

Two years ago Hurricane Beulah rampaged the area and houses within a quarter of a mile of the Zimmerman's were completely destroyed. It was then that the couple decided to move to Canyon and be near their children.

Mr. and Mrs. Zimmerman both love to travel, and have toured "all of the states this side of the Mississippi River and many beyond it."

"I don't know why people want to travel outside the United States," said Mrs. Zimmerman. "This country is so beautiful.'

"I love to sit on top of one of the Ozark Mountains and just look down at the trees in all those beautiful colors. . . it's gorgeous."

"We would always decide what we wanted to do," said Mr. Zimmerman, "then we'd do it!"

"And, if you enjoy what you want to do. . . the rest is easy," Mrs. Zimmerman pointed out.

"We love to fish," Mr. Zimmerman said, and the couple did a lot of fishing while living on the coast.

Mrs. Zimmerman recalled that she once caught a 39 pounder that was "huge."

"It wasn't so very big compared to a whale!" Mr. Zimmerman reported.

"We never did have a lot of money," Mr. Zimmerman said, "but, we'd just put what we had in a pot and brew it together."

Mrs. Zimmerman doesn't drive, her husband noted. "I do take her to town, to shop though. . . every holiday, when the stores are closed," he laughed.

Both have been busy people all of their lives. Mrs. Zimmerman is never idle. She sews, makes dolls, cooks, crochets and writes poetry. Mr. Zimmerman sang in a quartet for many years, and has a very distinctive voice. He plays several instruments in the "family orchestra".

The couple are kind to each other, "We've had to learn that *each* can be right," Mrs. Zimmerman pointed out.

"Our life has never been dull," Mr. Zimmerman said.

"We just have to do something, we work at whatever we do," said Mrs. Zimmerman, "because we enjoy it."

"I just like everything that's nice and good," she inserted.

Mrs. Zimmerman's grandmother lived to be a hundred, and her mother 95. Mr. Zimmerman's mother lived to be 97. The couple's age is a very young 85.

"I'd marry him again!" said Mrs. Zimmerman.

"Could I have that in writing?" he quipped.

The couple have five children, whose families are Mr. and Mrs. J.A. Meyer of Canyon, Mr. and Mrs. Don Zimmerman of Hereford, Mr. and Mrs. M.J. Noel of Canyon, Mr. and Mrs. H.W. Zimmerman of Long Beach, California and Mr. and Mrs. E.J. Zimmerman of Oklahoma City, Oklahoma.

The families have presented the couple with 15 grandchildren, and 19 great-grandchildren.

News Brief

Lieutenant Richard Carter and family of California visited with Lt. Carter's grandparents, Mr. and Mrs. T. W. Henderson of 1507 7th Ave. over the weekend.

The couple were traveling to Alabama when they made the Canyon stop.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: Mr. E. L. Nigh, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 12th day of October A.D. 1970, to Plaintiff's Petition filed in said court, on docket of said court and styled In the Matter of the Marriage of Wanda P. Nigh, Plaintiff, vs. E. L. Nigh, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 24th day of August A.D. 1970.

Attest: LaQuitta Polvadore Clerk, 47th District Court, Randall County, Texas.
By Pam Tingle, Deputy. 4tc-22

NO. 2390
ESTATE OF
REX H. WHITE, SR.
DECEASED
IN THE COUNTY COURT OF
RANDALL COUNTY, TEXAS
NOTICE TO CREDITORS OF ESTATE OF REX H. WHITE, SR., DECEASED

Notice is hereby given that letters testamentary upon the estate of REX H. WHITE, SR., deceased, were granted to me, the undersigned, on the 15 day of September, 1970, by the County Court of Randall County. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address is 2758 Carlton, Fort Myers, Florida.

REX H. WHITE, JR.,
Executor of estate of REX H. WHITE, SR., deceased 1tc-25

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO; Robert Leonard Thompson, Defendant, Greeting:

You are hereby commanded to appear before the Honorable 181st Judicial District Court in and for Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 26th day of October A.D. 1970, then and there to answer by filing a written answer to the Plaintiff's Petition filed in said Court, on the 7th day of July A.D. 1970 in this cause, numbred 10,363-B on the docket of said court and styled Donna Lee Thompson, Plaintiff, vs. Robert Leonard Thompson, Defendant,

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff sues Defendant for a divorce and restoration of former name, as is more fully shown by Plaintiffs' Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this the 10th day of September A.D. 1970.

Attest:
LaQuitta Polvadore Clerk, 181st Judicial District Court for Randall County, Texas
BY: Karen Daily, Deputy. 4tc-25

Sealed bids will be received in the office of the State Board of Control, Purchasing Div., State Finance Building, 111 East 17th Street, Austin, Texas until 11:00 AM, on 9/25/70 covering the proposed lease of space located in the City of CANYON Texas. Bid proposals and specifications may be obtained from the State Board of Control.

LEASE CODE: PW-1040L. The State Department of Public Welfare proposes to lease approximately 2150 sq. ft. warehouse/office space in Canyon, Texas for the Period 10/1/70 - 8/31/71.

ADVERTISEMENT FOR BIDS

The Commissioners Court of Randall County authorizes the advertisement for bids for the following:

Hard surface for one and one-fourth miles of road in Precinct #4. Further information may be obtained by contacting Mr. Bill Butler, Commissioner.

Bids will be received at the office of the County Auditor until Monday, September 28 1970, at 1:30 P.M. at which time they will be opened and read before the Commissioners Court. The Commissioners Court reserves the right to reject any or all bids.

Betty Hodges
County Auditor 2tc-22

Piano Recital On Sunday For Eason

George Eason, a member of the faculty of the West Texas State University music department, will present a recital at 3 p.m. Sunday in the Fine Arts Auditorium.

Eason will perform three sonatas on the university's recently acquired William Dowd Harpsichord. Other pieces will be performed on piano.

Eason has just returned from a year's leave of absence for doctoral study at the University of Colorado.

He will perform the following: Adagio in E Major, Schubert; Sonata, Op. 5, Brahms; Sonata in C Minor, Jose Galles; Sonata in D Minor, M. 8, Antonio Soler; Sonata in C Major, K. 420, D. Scarlatti; Five Preludes, Ludmila Ulehla; Fantasia, Op. 25, Ben Weber.

A reception for Eason will be held immediately following the recital in the formal lounge of the fine arts building.

Vars Home Hosts Alums

Alpha Delta Pi alumnae met Monday night in the home of Mrs. Don Max Vars.

Thena Slate, assistant rush chairman for the college chapter, spoke to the group about fall rush.

The group voted to sponsor a cake walk at the Halloween Carnival. Each member would bring two cakes. They will also sponsor a queen candidate at the carnival.

Regular meetings were set for the second Thursday in each month.

Mrs. Elton Cox is president of the Alpha Delta Pi alumnae.

Present at the meeting were Mesdames Ken Olsen, Rex Chitwood, Don Max Vars, Durwood Henderson, Roy McGregor, Elton Cox, Willis Harrison, Don Pearcy, Ronald Taylor, and Larry Brandon.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Boosters To Rope

Canyon Booster Club members will rope off Buffalo Bowl seating Friday night so Eagle fans will be separated from Lynx fans.

Club president Weldon Trice said the decision was made at Tuesday night's Booster Club meeting.

Canyon fans will sit in the south end of the stands while Spearman fans take up the north end.

Coach Dunny Goode reviewed Canyon's scrimmage with Hereford, which was presented on film. The Clovis game film didn't come out.

Booster Club members discussed possible money-raising ventures, including the selling of tickets for a plane trip to Dallas for a Cowboys game.

Boosters meet each Tuesday night at 7:30 p.m. in the high school cafeteria.

Lip. . .

(Continued from Page 1)

one vehement soul.

"You actually look like a human being again," said another as he clasped my hand with zeal.

"I'm glad you finally came to your senses," said another.

Another, who had never said a critical word about my growth, stepped out of his way to compliment my upper lip.

And, then there was the other side.

"Why'd ya cut your mustache off?" asked a moustachioed friend. "Too much pressure from the establishment?"

Ah, and all those humorous comments which accompanied the growth of my mustache were turned around and thrown at me again.

"Looks like you finally swallowed the tail to that mule," said one old timer.

"Did ya finally wash your face?" asked another with a belly laugh.

But, the comments have dropped off now. I'm the old me and I walk around as unnoticed as I did in my pre-moustache days.

Little kids don't heckle me as a hippie any more. Their mothers don't jerk their little arms to keep them from coming near me. I don't receive stares of disgust from the passing populace. But, I do get a kiss every once in a while from my wife.

Treven Heath Edwards, son of Mr. and Mrs. Greg Edwards, 1805 8th Ave., celebrated his fourth birthday yesterday at the Edwards home.

The cake was decorated in a freight train design.

The guest list included Janice Hamm, Rachel Belcher, Carol Moses, Natalie Gerber and Dana Edwards.

Outdoor Living Area Is Home Demonstration Topic

Mrs. Becky Hall, Randall County Home Demonstration Agent, enjoys talking to Mr. and Mrs. Clem Dugan of 403 Foster Lane about their newly completed covered patio.

Mrs. Hall's September program for the seven county Home Demonstration Clubs, has centered around "The Outdoor Living Area."

"Planning and Furnishing the Outdoor Living Area" has been the program for the seven Home Demonstration Clubs during the month of September.

The program is presented by Home Demonstration Agent Becky Hall with the aid of color slides.

Mrs. Hall points out in her discussion that, "terrace, breezeway, sun porch, veranda, gazebo, courtyard, and patio are all outdoor living areas designed to extend the use of space surrounding the house."

Several factors enhance maximum use and enjoyment from the outdoor living area. The liveable patio can be described as one which has the following characteristics:

It is designed to meet family needs for extending living space out of doors and is related to the house and surrounding area for functional usage.

It is sized for the intended use, oriented to sun and wind, and equipped with weather modifiers for longer use through the year.

It is screened or fenced for privacy, appropriately furnished, and well lighted.

"Most outdoor living areas serve a variety of purposes," Mrs. Hall noted. "They can be planned and equipped to serve as a place for recreation, entertaining, preparing and serving food, as a play area for children or a hobby work space."

"Like the rooms of a house," she continued, "the patio should be located so that it is convenient and accessible to other areas to which it is related. The key to a good location is to know how the patio is to be used. Satisfaction with a patio is closely related to success in controlling the sun, wind, rain and temperature."

"It is important to recognize that one needs not make all improvements to an outdoor living area at one time," Mrs. Hall stated. "If funds and time are limited, a plan can be developed over a period of several years. Most families start with a slab, an open patio or paved area and gradually expand it to provide increased protection."

Floors, walls, and ceilings are used to enclose space and provide comfort, protection, and privacy in a house. The outdoor living area also requires careful planning of pavement, walls and overhead protection and privacy in a house. The outdoor living area also requires careful planning of pavement, walls and overhead protection to achieve the same ends.

No one paving material is right for every job since all have their own characteristics. The ideal paving has a pleasing surface texture and appearance, good drainage, a non-glare surface, good resistance to moisture and temperature extremes, and low maintenance requirements.

The amount of money a family spends in furnishing a patio is an individual matter based primarily on the importance that is attached to outdoor activities. Many well-furnished patios are outfitted at low cost by either making furnishings and equipment or refinishing second pieces obtained from garage and junk sales.

Attractive patio furniture is available in many different styles and materials, but it can be divided into pieces made predominately of metal, wood, fiberglass or a combination of these materials.

"Only a few years ago the rubber doormat was about as close as we had come to outdoor carpeting. Today, however, with new fiber developments and productive techniques, many families are enjoying the benefits of outdoor carpeting the year round."

Most varieties of outdoor carpeting possess the following properties:

Most outdoor carpeting is resistant to rain and excessive moisture, drys quickly, will not mildew, resists sun fading and rotting with prolonged exposure, and won't stain. It is also impervious to insects and can be hosed off.

"No one plan for an outdoor living area will suit the needs and desires of every family," Mrs. Hall pointed out, "but, every family can have added living area by expanding their space to the out of doors."

Davis Files Formal Appeal For Mandmus

Francis B. "Guy" Davis, who continues his fight to gain a place on the Nov. 3 ballot as a county commission candidate, formally filed an appeal petition for a writ of mandamus with the Court of Civil Appeals in Amarillo.

The appeal was filed Monday, according to Mrs. Mavis Hill, court clerk.

Mrs. Hill said no motion for an advanced setting--so the appeal may be heard before the Nov. 3 election--has been filed.

She said if such motion is not filed, the case might not be heard for several months, due to the crowded docket of the civil court.

Davis seeks the writ to force County Judge Carroll Brown to place his name on the ballot as an independent candidate for commissioner of precinct 4. Republican Bill Butler has run unopposed in his bid for re-election to the seat.

Dist. Judge Gene Jordan denied the writ petition Aug. 2 because precinct 4 voters who signed Davis's petition had not been given an oath by an authorized person.

Davis and his backers had circulated a petition to have his name placed on the ballot.

Son Born To Parkers

Mr. and Mrs. Phillip Lee "Red" Parker have a new son, Travis Lee, born September 7.

The infant weighed six pounds and 2 ounces.

Mr. and Mrs. J.O. Parker of Canyon are the paternal grandparents.

Maternal grandparents are Mr. and Mrs. Robert Whitaker of Dalhart. The Parkers also had another grandson born to the family August 3. The infant, James Robert, is the son of Mr. and Mrs. Jerry Parker of Dawn.

Mrs. Mark Avent Lair

Petersen, Lair Marry Sept. 5

Sally Petersen of Amarillo became the bride of Mark Avant Lair in a double ring ceremony in the First Christian Church in Hereford.

The Reverand Eugene Brink officiated the ceremony.

The bride is the daughter of Mrs. Lois A. Petersen and Mr. Richard A. Petersen of Amarillo. The groom is the son of Mr. and Mrs. A. W. Lair of Canyon.

Given in marriage by her father, the bride wore a chiffon and lace dress with long bell sleeves and a high neckline. The bride also wore her grandmother's pearls and carried a bouquet of white roses.

Janice Fowler of Amarillo was maid of honor and Bruce Winn of Canyon was best man.

Ushers were Joni Petersen of Lubbock, cousin of the bride and Tom Lair of Canyon, cousin of the groom.

A reception was held at the church following the ceremony.

The couple will be at home in Lawton, Oklahoma after a brief wedding trip.

The bride is a graduate of Tascosa High School in Amarillo and has attended West Texas State University.

The groom is a graduate of Canyon High School and has also attended West Texas State University. He spent a year's tour of duty in Viet Nam, returning to the United States in December 1969. He is currently stationed at Ft. Sill in Lawton, Oklahoma.

Mr. and Mrs. Roy Dean Henderson of Haileyville, Oklahoma spent last weekend in the Roy Henderson home. Mrs. A.R. Northcutt left with the family for a month's tour of the Eastern states.

Women's Rush Sign-ups Begin

Women's rush sign-ups began yesterday and will continue through Friday in the Student Life conference room in the WTSU administration building.

To be eligible for pledging, a girl must be a bona fide student and have completed at least 12 hours with an academic standard of a minimum of 12 grade points.

Rush begins September 24 when rushees pick up Panhellenic name tags and invitations to Round Robin Coke Parties from 8:00 a.m. to 11:00 a.m. in the Student Life conference room.

The coke parties begin at 6:30 Tuesday and continue until 10:00 p.m. Rushees must attend all four sorority parties.

Parties are scheduled at the following places: Alpha Delta Pi, Cousins Lounge; Chi Omega, Brown Lounge; Delta Zeta, MCaslin Brick Lounge; and Zeta Tau Alpha, McCaslin Formal Lounge.

Rushees are to wear school clothes to this party.

Wednesday's Period II party invitations are to be picked up between 11:30 a.m. and 1:00 p.m. and must attend all parties that they are invited to. Parties are to be held in Canyon from 6:00 p.m. to 9:45 p.m. and rushees are to wear church clothes.

Thursday, party invitations to Period III Preferential parties are to be picked up from 12:00 p.m. to 1:30 p.m. The rushee may attend parties of her choice, up to two. Church clothes are worn and parties will be held in Canyon.

Friday formal invitations to pledge are to be picked up at 5:00 p.m. in the Student Life Conference room and will attend a party for new pledges in the respective sorority units in Shirley Hall.

Presidents of the four sororities were available to answer questions at convocation Monday night. Women's Rush sign-ups are scheduled through Friday in the Student Life conference room. Pictured are sorority presidents seated Marsha Thaten, Delta Zeta; and Earleen Sutton, Zeta Tau Alpha and standing Mary Lou Farnum, Alpha Delta Pi; Frances Neil, Chi Omega and Jean Moore, Dean of Women.

Takemotos Honored In Colorado City

A reception for Mr. and Mrs. James Takemoto was held Saturday in Colorado City, home of the bride's parents, Mr. and Mrs. G. D. Foster, formerly of Canyon.

Mrs. Takemoto, the former Dr. George Maedell Foster, is the granddaughter of Mr. and Mrs. G.G. Foster.

Mrs. J. O. Parker of Canyon and Mrs. Robert W. Foster of Amarillo served at the reception table.

Other relatives attending were: Mr. and Mrs. Paul E. Foster and Mr. and Mrs. Jeff Bergstresser of Amarillo, Mr. and Mrs. Jack Foster, and Mrs. Hosea Foster, of Canyon.

The couple married two weeks ago in Evanston, Illinois and are making their home in College Station.

Dr. Takemoto has a three year teaching fellowship in chemistry at Texas A&M.

Mrs. Harvey Host Club

The Canyon Mother-In-Law Club met in the home of Mrs. Lewis Harvey last week for a business meeting.

Mrs. H.C. Gentry called the roll and read the minutes. Mrs. C. W. Dunn conducted a quiz game and each member told how they spent the summer.

Four members were present at the meeting. They were Mrs. J. G. Ford, Mrs. H. C. Gentry, Mrs. C. W. Dunn, and Mrs. Lewis Harvey.

Mrs. Ed Harvey visited the meeting.

The next meeting will be held October 8 in the home of Mrs. C. W. Dunn at 1413 3rd Ave. at 2:30 p.m.

Families Entertained

Miss Ona Mae McMurray entertained her brother, sisters, and other relatives in her home last week.

Those attending included Mr. and Mrs. J.O. McMurray, Sr. of Abilene; Colonel Paul H. McMurray of Washington, D.C.; Mr. and Mrs. C.L. McMurray of El Paso; Mrs. C.V. Foster; Mr. and Mrs. Floyd Montgomery of Plainview; Mr. J.O. McMurry, Jr. of Borger; Mr. Joe Foster of Houston; Mr. and Mrs. Mark Taylor and children of Amarillo; Mr. and Mrs. Lee Allen and Mr. and Mrs. Ed Cranmer and children of Canyon.

Lillie Hundley Has Program

The Palo Duro Mother-In-Law Club met in the home of Mrs. Jewel Crawford with Mrs. Hazel Wright as co-hostess Friday.

Seventeen members were present with two visitors. Miss Lillie Hundley presented slides of China and her missionary work in several foreign countries.

Miss Hundley, originally from Claude, now resides in Canyon and works with WTSU international students.

Refreshments were served by the hostesses after the slide presentation.

You Can Help Elect "Oofie!"

. . . as your next State Senator. If you don't know anything about him, ask some of your friends as he is widely known over the Panhandle.

- He is an experienced businessman in many fields. He has been Mayor of Canadian for two terms and is completing his second term in the Legislature. His record as a proven conservative is outstanding. By the end of his term he will have saved the Taxpayers of Texas over $20,000 on his expense account. This is more than his salary and several thousand dollars more than any of the other 150 members have saved.
- The Panhandle team will consist of a Senator and 5 Representatives. Three of them will be brand new and the other two will only be serving their second term. It is obvious that we must have an experienced Senator who is a proven Conservative and knows the ropes to head up the team.
- If elected, he will continue to represent the People of the Panhandle and not the politicians. Here's your chance to elect a dedicated hard working man to serve you. He has no conflict of interest and is only interested in a better Texas. He is well known for trying to promote efficiency in State Government. He will appreciate your help in his campaign and urges you to write him at Canadian for some more information.

SPEED READING CLASSES SET FOR CANYON

One Million Words? In a Single Week? Can YOU handle that?

Yet, if you are a student or an average person in a position of average responsibility you are expected to read up to, and in many cases even more than, one million words in a single week. Think of the flood of printed material you must cope with daily. There is more and more material in print every day — and more and more people, including you, have read it.

How rapidly DO you read? And more importantly, how well do you understand and retain what you have read? Is it a chore for you to read a book? Do you back-track repeatedly? Let your mind wander to other things? Silently pronounce words to yourself as you read? If you do any of these, chances are that you not only need but would profit greatly from the Speed Reading Academy's course in Rapid Reading which is set for Canyon.

Mr. Wayne D. Scott, SRA president, said arrangements have been made to offer SRA's exclusive 7-week, 21-hour Rapid Reading course to a limited number of students in Canyon.

The course is designed primarily for the college-bound high school student, the college student and professional — but anyone over 13 years of age of average intelligence and without visual weaknesses can quickly master the speed reading techniques of the S.R.A. Method.

The average college student today reads anywhere from 150 to 250 words per minute, retaining about 50 per cent or less of what they have read. Mr. Scott said, "We guarantee that you can learn to read 1,000 words per minute, or more, with bettter comprehension, retention and enjoyment or your tuition will be refunded."

Thousands of people who have completed the course have an average reading speed of 2,000 words per minute, with 80 per cent or better comprehension. In order to enroll in the course — you must attend one of the free orientation lectures mentioned below and the reading counselor will explain the course in detail — and give you a brief reading test to determine your present reading speed and comprehension.

Most people are shocked to find how slowly they actually read and how low their rate of comprehension really is. How do YOU rate as a reader?

Students enrolling will be required to attend one class per week for seven weeks.

Classes are limited to twenty students — and class places will be filled on a first come, first served basis.

A series of one hour orientation lectures to acquaint interested persons will be held in Canyon.

MEETINGS WILL BE HELD

Sept. 10 — 2:30 p.m. Sept. 11 — 7:30 p.m.

Sept. 12 — 10:30 a.m. & 2 p.m.

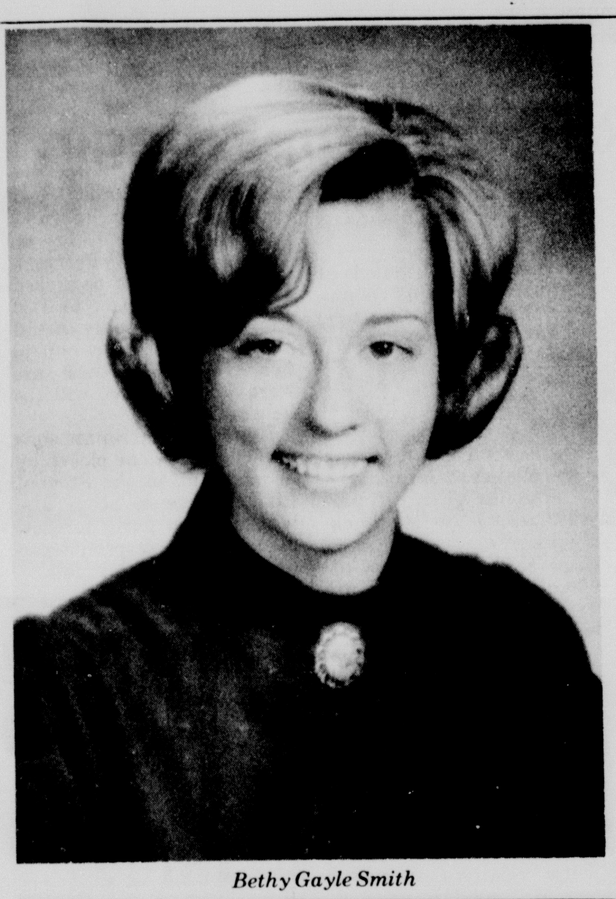
Miss Smith To Wed Green

Mr. and Mrs. Don C. Smith, formerly of Canyon, now residing in Tulia, announce the engagement and approaching marriage of their daughter Bethy Gayle to Edwin Melvin Green, son of Mrs. Mae Green of Tulia and the late Floyd Green.

Miss Smith is a graduate of Tulia High School, attended Lubbock Christian College and is enrolled in Key Punch School in Amarillo. She is the granddaughter of Mr. and Mrs. Carl W. Smith of Canyon and the late J.J. Leavitt.

Green graduated from Tulia in 1965, served four years in the United States Navy aboard the ships *Chara* and *Sacramento*. He is presently employed in Amarillo at the Thomas Cartage Co.

Wedding vows will be exchanged November 26 at the Central Church of Christ in Tulia.



Bethy Gayle Smith

Xi Kappa Zeta Meets Plans Sept. Social

Xi Kappa Zeta chapter of Beta Sigma Phi held their first meeting of the year recently in the home of Miss Billie Bee Flesher with Marie Manley as co-hostess.

Correspondence from Plainview concerning the sorority's area convention to be held in the Holiday Inn October 17 and 18 was discussed.

It was announced that the group made $102 on their summer garage sale.

Pledges of the chapter have completed their training and are now ready for the Ritual of the Jewels.

Mrs. Sonnie Wells of the social committee reported that a sorority supper and movie will be held Tuesday, September 29.

Billie Bee Flesher Presented a program on the "Face of the Earth".

The club revealed last year's "Beta Buddies" and drew new ones for this year.

Present at the meeting were Mesdames Frank Adams, Bob Brotherton, Robert Daniel, Paul Ferguson, Jack Godfrey, Tim Goodwin, James Irwin, Herbert Kuhlman, Wilton Manley, Charles Peckenpaugh, David Pulley, Johnny Robinson, Bill Thomas, J.G. Wells, and Lewis Wygant.

Also present was Mrs. Irene Walker and Misses Billie Bee Flesher, and Betty Sue Patterson.

Teachers Hear Gibson In Tanglewood Home

Zeta Delta chapter of Delta Kappa Gamma met in the home of Mrs. Jess Pearce at Lake Tanglewood Saturday.

Hostesses for the meeting were Mrs. Pearce, Mrs. Mattie Bell, Mrs. Rupert Taylor, Mrs. W. L. Branson, Mrs. Velma Boyd, Mrs. L. A. Fabian, and Mrs. Estella Baer.

Mrs. William R. Wilson, first vice-president, presided in the absence of the president. A business meeting and program preceded the picnic lunch.

"The Role of the Educator in Making a Better World" was presented by Mrs. Kenneth Gibson, coordinator of Elementary Language Arts and Social Studies in the Amarillo Public Schools.

Mrs. Gibson stated that educators should be able to adjust and implement change when it is "growing change". Educators should also be able to accept and use new ideas and methods, move away from large mass instruction to more individual teaching, place greater emphasis on learning, how to think, and study.

"The impact of teaching should bring out the best in children and young people," the educator noted. "Teachers must be dedicated to children and the profession. Real teaching is based on human relations."

"Teachers must be interested in personal not just classroom problems. He must help each student to realize that he is 'some one'," Mrs. Gibson pointed out.

Thirty-five members were present at the meeting.

The next meeting will be a regional meeting held at Tulia High School October 17 at 9:00 a.m.

Youth Rally Set For Saturday At City Church

Calvary Baptist Church will host a Youth Rally Saturday at 7:30 p.m.

Dale Martin, who ministered to the hippies in the Taos area over the summer will be the guest speaker.

Rev. H. D. Freeman stated that, "youth from other churches are invited to the rally."

A fellowship time featuring Stan Harlen on the guitar will follow the program.

Tell us. We'll listen.

We're here to help when you have questions or problems concerning your telephone service. Just tell us what you want.

Our courteous service representatives in your business office pride themselves on being alert to your communication needs. When you talk, they listen.

Go ahead. Call us. You'll find a waiting ear, an understanding attitude, and you'll get action!

We may be the only phone company in town, but we try not to act like it.

Southwestern Bell

First Winter Whisper Comes In

The first whisper of winter whipped through Randall County shortly before noon Tuesday lowering temperatures and even bringing some moisture.

Canyon received about .30 inches of moisture from the low-hanging dark clouds through the day Tuesday and Tuesday night.

A cold front swept through the county about noon and the showers came first. Sprinkling throughout the city was experienced through the night Monday.

A good, steady rain fell for several minutes Tuesday morning.

Some areas of the county received just slightly more than Canyon in the way of rain.

A rancher near Ralph Switch reported receiving just over a half inch Tuesday and Tuesday night.

The rains were believed to be widespread over the county.

Drizzle and a dense fog set in on the city late Tuesday and lifted before daybreak Wednesday. Low clouds clung over the city through Wednesday.

City residents experienced the first chilly night of the season Tuesday night.

Low temperature recorded Monday was 58 degrees. The high Monday was 81.

The high dipped to 70 Tuesday and the low remained fairly static at 60.

The moisture which fell with the front was probably not significant for Randall County agriculture, according to County Agent John Brazzil.

Brazzil has stressed several times that the county needs a steady, lengthy rain.

Effects of the front will not be as noticeable today, according to the U.S. Weather Bureau.

Forecast today calls for clearing cloudiness for higher temperatures. The high is predicted to be in the low 80s. The low tonight should be near 60. Winds will be southerly at 10 to 15 miles per hour.

Vandalism Reaps Fine For Five

Five Umbarger men pleaded guilty Monday morning in Randall County Court to malicious mischief in connection with the Sept. 6 vandalism of the city's water wells.

Each man was fined $200 and sentenced to serve 6 months in jail. The jail term was probated one year.

Those appearing before acting Judge Charles Fairweather were Virgil Conrad Artho, 20, Robert L. Handing, 26, James Edward Handing, 23, Arnold Francis Wieck, 20, and Galen Herbert Friemel, 20.

The Canyon water wells, which are located about five miles north of Umbarger, were turned off and damaged shortly after midnight Sept. 6.

As a result of the vandalism, Canyon was dangerously low on water for several hours. City Water Superintendent William Weiser said had the vandalism gone undiscovered two more hours and the city would have been out of water.

The five men have made restitution on damages caused at the well field, according to sheriff's deputies.

Eagles. . .

(Continued from Page 1)

year, as has most of his offensive and defensive lines.

"We have a good power running attack," he said. "We didn't pass any in our last game. But, we didn't need to. We'll probably pass more this week."

Anthony says his veteran quarterback Edgar Womble has improved greatly in the passing department.

The Spearman mentor sees his line as "superior."

"Ronny Luskey at right tackle is a possible all-stater," he said. "Tommy Loveday at noseguard is outstanding. I feel like Rodney Schroeder is our best blocker."

That the Lynx defense merits favorable comment is evident when it is realized Spearman held Sunray to 30 yards in ground rushing.

Coach Goode will try to counter Spearman with a little of his own brand of football team. The Eagles, although lacking in experience in the offensive line, have an outstanding defensive front.

If it will jell, the Eagles have a strong passing attack, also.

The two teams meet in Buffalo Bowl at 8 p.m. Friday.

PD Rusk Club Hears Agent

The Palo Duro Rusk Home Demonstration Club met in the home of Mrs. Charles Conatser last week.

Becky Hall, county agent, presented the program on the "Outdoor Living area."

Plans were made to meet with the Westside Home Demonstration Club in the Farm Bureau Building September 22 for a Luncheon at 11:30 a.m.

A demonstration on how to make "Burlap Flowers" will be given.

Friemel's Grain In

Umbarger Co-op Elevator unloaded its first batch of grain sorghum Saturday.

The yield tested 59 pounds per bushel with 14% moisture, the maximum level.

The load came from Vincent and Oliver Friemel's land one mile northeast of Umbarger.

Vince Ramaekers, of the Umbarger Co-op, noted that "the irrigation crop looks good right now, but there will be very little dry land, I feel sure."

Harvest will be slow for some time, Ramaekers noted, saying that the heaviest harvest time would be in mid-October.

Buffs. . .

(Continued from Page 1)

physical condition," said Kerbel. "We ran 15 50-yard dashes following Monday's drills and most of the players weren't even breathing hard."

Kerbel, who is the winningest coach in West Texas State's football history, is entering his 11th season as head football coach at WTSU. He has engineered 61 wins in 10 years, against 39 losses and one tie.

The Buffaloes open their home season Sept. 26 against the Wichita State University Shockers. That will be the first Missouri Valley Conference member West Texas will meet since becoming a member this past summer. That game, however, will not count in the conference standings.

Bus. . . .

(Continued from Page 1)

fore.

The policy provides for the suspension or expulsion from school of any student "found in possession of, having used, or under the influence of marijuana, any narcotic, hallucinatory, hypnotic, or sedative drug or any chemical, alcohol or stimulant not prescribed by a physician."

The policy states that any student moving into the Canyon school district who is under suspension from another school system "shall not be admitted until his suspension term has ended in the suspending district."

Jacobs said basically the policy states that "students who are messing with drugs are not serious students and they're a detriment to other students."

Also approved was a policy regarding employe absentees and sick leave time.

In other action, the board passed a motion by Jerry LaGrone that the building trades class at Canyon High School contract to build a house here.

Several criteria must be met before the class may build the house, including those based on location, type house, and speed with which it could be constructed.

In final business, the board approved the 1970 tax roll as presented by Conway Kuykendall, tax assessor-collector.

Route. . .

(Continued from Page 1)

of the proposed by-pass, the commission discussed the city's zoning ordinance.

It was revealed that the city must appoint a board of adjustment, a five-man board which would hear appeals of decisions made by city officials concerning zoning.

The board will be appointed at tonight's city commission meeting.

The commissions and Springer also discussed the burgeoning mobile home industry in the city. Springer said he will furnish the city with guidelines for defining and restricting mobile home usage.

Ag School. . .

(Continued from Page 1)

department of agriculture became the school of agriculture. WTSU became the fourth school in the state to have a separate school of agriculture when the program was approved last April by the Coordinating Board, Texas College and University System.

First agriculture courses were offered in 1910.

In the beginning, agriculture was offered over a two-year period and did not become a four-year bachelor's degree granting program until 1917.

Not until 1922 when the American Association of Teacher Colleges gave the school accreditation, did the department of agriculture grow. That same year 30 acres of land adjoining the campus was purchaseed for $5,800 for dairy and experimental use. Four years later the T-Anchor Ranch, a 200-acre spread, was approved for purchase at $13,000 by the fortieth legislature.

Frank H. Ives was department head then, but he was succeeded by his assistant in the voccational high school Frank Phillips in 1924. The "Phillips Era" lasted nearly 30 years; in 1952 Phillips retired and Dr. Melvin R. Calliham, presently head of the Veterinary Medicine and Surgery Department at Texas A&M, took over his duties.

Dr. Smallwood, 44, left Murray State Agricultural College, Tishomingo, Okla., in 1958 to become department head at West Texas.

A native of Red Oak, Okla., Smallwood received a bachelor of science degree from Oklahoma State University and a master of science and a doctor of philosophy from Texas A&M.

He was county agricultural agent with the Oklahoma State University Extension Service from 1950-54.

Smallwood was named "Man of the Year in Agriculture" for outstanding service by the Texas County Agriculture Agents Association in 1968.

In his first year as department head, Smallwood had 105 agriculture majors and 265 students enrolled in agriculture courses. In 1969 the number of agriculture majors had grown to 485 and number of students taking courses had reached 1106. This fall the school of agriulture enrolled 510 majors and 1200 students studying some phase of agriculture. In 1972 Smallwood believes the number will reach 700.

Sex. . . .

(Continued from Page 1)

herself and the other part by the interviewee.

The survey attempts to collect for the first time from a representative cross-section of the adult public their attiudes and beliefs concerning sex laws and behavior, she said.

More than 3,000 persons nationally will be interviewed.

Mrs. Mitchell said the respondents from Canyon will be chosen in a random selection. Women will be selected for interviews according to their employment status. Men will be selected according to age.

She said the Canyon-Amarillo area is one of five sample areas in Texas. Amarillo residents will also be interviewed.

Mrs. Mitchell said the information received through the interviews with the 3,000 persons will be generalized and interpreted as typical of the country's population as a whole.

She said individual responses on the interviews will not be revealed. The data collected will be processed by computer and presented or interpreted in the form of statistical tables.

The National Opinion Research Center is a non-profit research agency affiliated with the University of Chicago. Established in 1941, it has carried out numerous surveys of public health, education, welfare, political and social behavior on behalf of both governmental and non-commercial private agencies.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Lie. . .

(Continued from Page 1)

the drink amendment which is on the ballot for the November election.

Senator Christie is chairman of Texans For Enforceable Liquor Laws, a group committed to passage of the liquor by the drink amendment.

"That is a lie," Dr. Dunn said when contacted in Houston and told of the Christie statement.

"I accepted an invitation to debate Dr. Dunn on Channel 13 in Dallas last Thursday," said Christie. "Dr. Dunn didn't show up. I don't know why. I would welcome a debate with Dr. Dunn."

Later in the interview Christie made the flat statement that Dr. Dunn accepted the challenge to debate and then reneged.

Dr. Dunn said he was contacted about the proposed debate by a Mrs. Jim Clark and the discussion was to have taken place on KERA-TV.

"I told her we would be represented," Dr. Dunn declared. "She said the other side would also be presented. I told her that our representative would be determined by the person representing the other side."

Dunn explained that since a politician was representing TELL that a political figure was chosen to represent Texans Who Care. Judge Oswin Chrisman was chosen to represent TWC on the interview. Judge Chrisman is judge of the Second Probate Court of Dallas.

"Christie never contacted me directly," Dr. Dunn declared.

In the press conference Monday Senator Christie said the liquor by the drink amendment provides for local option and that the amendment is not a wet and dry issue.

"This would just let you buy liquor by the ounce," he said. "We are just trying to help the poeple of Texas make an intelligent decision based on facts."

He quoted TWC as saying that passage of the amendment would increase consumption.

"They are saying it won't increase consumption," Dr. Dunn said, "but they are spending hundreds of thousands of dollars to pass it and that just doesn't make sense."

Christie said a study of liquor habits in 9 states following introduction of liquor by the drink was made. He said five remained the same or dropped in consumption while four rose but less than the national average.

"This takes the bottle out of the automobile," he declared.

Christie said the FBI listing 11 causes of crime and that liquor consumption or the way it is sold was not on the list. He estimated that the state of Texas is losing $10 to $15 million annually by not having liquor by the drink.

Dr. Dunn contends that if liquor by the drink carries there will be more consumption with all the attending problems.

"I think if the people look at the facts they will vote for it, said Christie.

George Christian, former press secretary for President Johnson, accompanied Christie to Amarillo. Christian talked briefly about his new book on the final days of the Johnson administration.

"I think the Johnson administration misjudged public opinion," he declared.

He predicted that Lyndon Johnson will never again get personally into politics.

Officers for the Zeta Zeta chapter of Delta Kappa Gamma International includes Cortez Dowlen, president; Dorothy Lowry, secretary; and Edna Coy, first vice president. The chapter met for a luncheon meeting Saturday in the home of Mrs. Hazel Walsh.

Miss WTSU Pageant Set, Miss Texas Confirmed

Plans for this year's Homecoming activities, which include a banquet for Ex-students, pep rally-assembly, parade, barbeque, the crowning of Miss WTSU and an appearance by the reigning Miss Texas, are now in final stages.

Activities will begin at 10:00 a.m. October 16 with a pep rally that will include the presentation of all candidates for Miss WTSU. The contestants will spend the day in front of the judges.

Friday at 6:30 p.m. a banquet for ex-students will be held in the new Activities Center. The banquet is centered around the parade theme "The Greatest Show on Earth", and tables will be set for fours and sixes for conversation ease.

An ex-student combo will play dinner music during the meal. Dean Kelly will be the master of ceremonies for the program which will include the naming of two "Distinguished Alumni." Terry Milligan, ex-student body president, now Amarillo band director, is in charge of the program.

The First Annual Miss West Texas State University Pageant is scheduled for 8:00 p.m. the same evening in the Activities Center Ballroom. Contestants will appear on stage in formals for the presentation of the ten finalists. The top ten, who have won afternoon rounds of swim suit competition and personal interviews, will then be presented to the audience in swim suit and talent competition.

The reigning Miss Texas, Belinda Myrick, a radio and television major at the University of Texas, will spend Friday with the contestants and will appear on the program at the pageant. Miss Myrick ascended to the Miss Texas title when Phyllis George won the title of Miss America Saturday night.

Five top judges including Miss Texas' chaperone, Mrs. Peggy Mohon of the Miss Texas Pageant and Mrs. John Pitts of the Miss Wheatheart of the Nation, Pageant, will attend the all day judging.

Dixie Dice Watson assisted by Mrs. Earl Parge will co-direct the pageant. The cost of the Miss WTSU pageant will be $1.00 for WT student and $1.50 for non-students.

Miss WTSU will receive a wardrobe from an Amarillo firm, ride on the Homecoming Queen float and be presented at the Homecoming football game on Saturday.

Saturday's activities open with the registration of Ex-students at 9:00 a.m. The annual parade is scheduled for 3:00 p.m. and the barbeque inside the cafeteria will be held immediately after the parade.

WTSU will play North Texas State University in the Buffalo Bowl at 8:00 p.m.

Farmer Brown and Frank Bounds of Canyon have just returned from a plentiful dove hunt with Bob Gough of Abilene, Johnny Fowler of Aspermont, and Fowler's uncle, Dallas Kennedy. The hunt took place on the Kennedy Ranch near Jayton, Texas.

Wilkerson Is Arraigned

Emmett Leon Wilkerson, 31, an Amarillo ex-convict was arraigned about 3 p.m. Tuesday before Justice of the Peace W.A. "Bill" Wilson on a charge of assault with intent to murder.

Wilkerson is charged with the early Friday shooting of Louis Monroe Johnson of 4624 Western in Amarillo, his father-in-law.

The stocky prisoner appeared in Wilson's court with his arm in a sling, the result of the early morning shoot-out.

He had been in St. Anthony's Hospital in Amarillo undergoing treatment for two gunshot wounds.

Johnson remains in the hospital undergoing treatment for a stomach wound.

Wilkerson's attorney, Charles Fairweather, requested an examining trial and Judge Wilson remanded Wilkerson to the custody of Sheriff Slim Johnston until the examining hearing.

Asst. Dist. Atty. Dick Dambold said the hearing will not be held until after next Monday.

Randall County Dist. Atty. George Dowlen told The Canyon Sunday News last week that Wilkerson's wife, Sandra, told officers her husband awoke her parents about 2 a.m. Friday and shot Johnson. Johnson then grabbed his .22 caliber pistol and shot Wilkerson, she said.

Emmett Leon Wilkerson, his arm in a sling, stands in the doorway of Justice of the Peace Bill Wilson's office awaiting arraignment on a charge of assault with intent to murder. Wilkerson was brought to Canyon Tuesday afternoon from an Amarillo hospital where he was undergoing treatment for a gunshot wound.

Zeta Zeta's Educators Meet Here

Zeta Zeta chapter of Delta Kappa Gamma International sorority met Saturday in the home of Mrs. Hazel Walsh for a luncheon.

Co-hostesses for the meeting were: Inell Zevely, Mrs. T. B. McCarter, Flora Phillips, Alma Perkins, Audrey Jones, Martha Heser, Cortez Dowlin, and Miss Claudia Neely.

A program entiteld "Agree to Disagree" was directed by Laura Huckaby with all members participating.

The next meeting will be the regional meeting of Delta Kappa Gamma and will be held in Tulia, October 17 at 9:00 a.m.

Phoenix Club Banquet Plans In The Mill

Plans for the WTSU Phoenix Club banquet to be held at the Amarillo Country Club March 11 have been announced by Ex-Students' executive director, Hank Brown.

Dr. Kenneth McFarland of Topeka, Kansas, has been confirmed as the banquet's speaker.

"Dr. McFarland is one of the most prominent speakers in America," Brown noted.

"Several times McFarland has been honored as the 'Most Outstanding Public Speaker in America'," Brown said.

McFarland is a formr Superintendent of Schools in Topeka, guest lecturer for General Motors, Educational Director of the American Trucking Association, and has appeared in programs all over the Western World.

The Phoenix Club's membership is comprised of WTSU ex-students and university supporters who contribute $60 a year or more to the university.

A Phoenix Club membership drive headed by Henry Davis of Amarillo is scheduled to be kicked off at Homecoming October 17.

A six man planning committee from the Panhandle area will meet tonight at 7:30 p.m. in the ex-student suite in the Student Union Building.

3 Enroll At TSTI

Three residents of Canyon are enrolled in classes at the new Texas State Technical Institute School at Amarillo.

These include: Wayne Bevers, son of L.L. McBane of Route 2, who is majoring in Commercial Art and Advertising; June Hodges, who is majoring in Commercial Art and Advertising; and Luis A. Luna, son of Lena Alderete of 504 E. 3rd Avenue, who is majoring in Airframe Mechanics.

Enrollment at the T.S.T.I. Campus ended September 15 for the first trimester, according to Dr. J.N. Baker, T.S.T.I. Vice President and General Manager of the Mid-Continent Campus. The next trimester at State Tech will begin January 4, 1971.

State Tech became an official part of the Texas Education system last year when authorization was given by the 69th Legislature to purchase portions of the old Amarillo Air Force Base for use as a Vocational-Technical School.

Faith Chapel Hosts Revival

Reverand G.K. Kerr will be conducting a series of evangelistic meetings tonight through next week in the Faith Chapel.

The services begin at 7:30 p.m. weekdays with regular services being observed on Sunday.

Rev. Kerr holds revivals throughout the country and is known for his unique style of preaching. He appeals to the everyday side of life and causes people to search within themselves.

DAR Observes Week For U.S. Constitution

Canyon's Daughters of the American Revolution are observing Constitution Week this week with four exhibits in various parts of the city.

The exhibits are located at Haley's, McDonald Shop, LaGrone Funeral Home and the museum. Mrs. Grace Knighton is chairman of the effort.

There are about 15 members of the DAR in Canyon and since the number usually is too small for a separate chapter the local DAR's belong to the Esther McCrory Chapter in Amarillo.

It was 183 years ago that 55 men in Philadelphia to frame the Constitution. Probably no other document is as important to an American as this one.

The Constitution was originally made up of some 7,000 words which organized a nation.

Today DAR members from Canyon will join those from Amarillo, Borger, Hereford, Pampa and Plainview at a luncheon at the Amarillo Country Club.

Keynote speaker will be Dr. A.B. Martin, president of Amarillo College. His topic will be taken from the DAR theme of 1970 which is, "Where the Law Ends, Tyranny Begins."

The American heritage is aptly expressed in the opening statement of the Constitution...

"We the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for common defense, promote the general welfare, and secure the blessings of liberty to ourselves and to our posterity do ordain and establish this Constitution for the United States of America..."

Sorority Alum Chapters Have New Officers

Sorority alumnae chapters are starting the year's activities with new sets of officers.

Alphs Delta Pi's alumnae officer list includes Mrs. Elton Cox, president; Mrs. Claude Zevely, first vice president; Mrs. Willis Harrison, second vice president; Mrs. Ronald Taylor, secretary; Mrs. Clay Cooper, treasurer; and Mrs. Gene Crowder, reporter-historian.

A meeting of the Alpha Delta Pi alumnae was held Monday night in the home of Mrs. Don Max Vars. (see related story.)

Officers for Chi Omega are Mrs. Harold Erwin, president; Mrs. Virginia Cotton, vice president; Mrs. R.B. Gist, secretary-treasurer; Mrs. Charles Harter, ritual; Mrs. J. Manly Bryan, publicity; and Mrs. Frank Kimbrough, herald.

Chi Omega will hold their first fall meeting tonight at 7:30 p.m. in the Jim Fletcher home at Lake Tanglewood.

Delta Zeta's officers for the year are president, Mrs. Lee Roy Moreland; vice president, Mrs. Claiborn Crain; recording secretary, Mrs. Rose Kinzer; corresponding secretary, Mrs. Marvin Fite; treasurer, Mrs. Gary Garner; and press, scrapbook, and Lamp editor, Sally Nester.

Canyon's Delta Zeta chapter met in the home of Mrs. Alfred Bellah Monday night.

Leading the Zeta Tau Alpha's Alumnae will be Mrs. George Blackwell, president; Mrs. Keith Jones, vice president; Mrs. Kenneth Laycock, secretary-reporter; and Mrs. Wilton Manley, treasurer.

The Zeta Tau Alpha alumnae will meet Tuesday, September 29 in the home of Georgia Blackwell, 702 Taylor Lane at 8:00 p.m.

CAPT. BOBBY J. BYRD

Capt. Byrd In New York

Captain Bobby J. Byrd, Staff Training Assistant of the Texas Army National Guard, is an official delegate to the 92nd National Conference of the National Guard Association of the United States which is being held in New York City this week.

Captain Byrd, also Assistant Training officer for the 2nd Battalion (mechanized) 142nd Infantry, has been selected to represent the National Guard units in the Panhandle for the fifth consecutive year.

He is also a member of the military affairs committee of the National Guard Association of Texas.
